

## Notice of Virtual Public Meeting Downtown 10 Public Meeting #2

(On IH 10) From Executive Center Boulevard to State Loop 478 (Copia Street)  
CSJs: 2121-02-166  
El Paso County, Texas

The Texas Department of Transportation (TxDOT) El Paso District is proposing improvements along Interstate Highway 10 (IH 10). The limits of the project are from Executive Center Boulevard to State Loop 478 (Copia Street) in El Paso County, Texas, and the project is referred to as the Downtown 10 project. The proposed project is approximately 5.7 miles in length.

This notice advises the public that TxDOT will be conducting the second **Virtual Public Meeting (VPM)** for the proposed project. The VPM will be available online beginning **Wednesday, February 24, 2021 at 5 p.m. (MST)**. To access the VPM, go to the following web address at the date and time indicated: [www.reimaginei10.com/downtown10](http://www.reimaginei10.com/downtown10) and/or [www.txdot.gov](http://www.txdot.gov) (keyword: "Downtown 10"). The meeting will consist of a virtual room and will include both audio and visual components. Please note that the VPM will not be available on the website until the time and date listed above. The VPM will remain available for viewing, at the web address indicated above, until **Tuesday, March 16, 2021, at 11:59 p.m. (MST)**. If you do not have internet access, you may call Kim Johnson at (512) 567-9270 to ask questions on how to access project materials at any time during the comment period. Formal comments may be submitted electronically through the VPM or by mail, email, or phone (as explained below).

Based on input received during the last round of public outreach in 2020, TxDOT developed and evaluated several conceptual alternatives, and identified viable alternatives (including the No Build Alternative) to carry forward for further evaluation. The purpose of this second public meeting is to present the project progress and solicit input from the public on the preliminary alternative analysis and viable alternatives. Some alternatives would require additional right of way that could result in impacts to businesses and residential properties, displacements, impacts to historic districts and historic places/properties, and other environmental impacts. These impacts were considered when evaluating alternatives.

Environmental documentation, study results, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project will be available on the project website as they are completed, including the information presented in this Public Meeting #2.

The VPM will be conducted in English. If you need an interpreter or document translator because English is not your primary language, or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the VPM, please contact (915) 201-9414 no later than **5 p.m. (MST), Friday, February 19, 2021**. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

TxDOT is requesting comments from the public regarding the proposed project and may be submitted **by mail** to the **TxDOT El Paso District Office, Attn: Downtown 10, 13301 Gateway West, El Paso, Texas 79928-5410**. Electronic comments may also be submitted **by email** to [Downtown10@txdot.gov](mailto:Downtown10@txdot.gov) or through the VPM Site. Additionally, as stated above, members of the public may also **call (915) 209-0027** and leave recorded comments from **Wednesday February 24 at 5 p.m. (MST) until Tuesday March 16, 2021 at 11:59 p.m. (MST)**. All comments must be received, emailed, or postmarked on or before Tuesday, March 16, 2021. Responses to comments will be available online at <http://www.reimaginei10.com/downtown10> and at [www.txdot.gov](http://www.txdot.gov) (keyword: "Downtown 10") once prepared.

If you have general questions or concerns regarding the proposed project or the VPM, please call Hugo Hernandez, TxDOT Project Manager at (915) 497-0955 or email [Downtown10@txdot.gov](mailto:Downtown10@txdot.gov).

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.*
